

St. Paul Preschool Program

Why choose St. Paul Preschool?

St. Paul Preschool is a developmentally appropriate school that prepares your child for kindergarten and builds a spiritual foundation in the love of Christ.

Preschool classes are led by a certified teacher. The curriculum is *Creative Curriculum* a research-based and research proven program that takes the needs of every type of learner into account. We believe all children develop socially, emotionally, intellectually and physically and that all areas are equally important. We provide a safe, secure and nurturing environment where Jesus is evident in everything we do.

The 3 & 4-Year Old Preschool meets Mon. – Thurs. 8:30 a.m.–11:30 a.m.

We provide:

- A developmentally appropriate curriculum
- Learning Centers that foster growth in all areas
- An environment that promotes spiritually and opportunities to explore God's creation.
- An atmosphere that integrates social-emotional learning, self-regulation and discipline that promotes a positive self-concept and independence.
- *Zoo-Phonics* a language arts program that is kinesthetic, multi-modal approach to learning vocabulary development and articulation, based on phonics and phonemic awareness.
- Lessons and activities that promote a love of learning that build a foundation for life.
