### PANCAKE BREAKFAST

The next monthly pancake breakfast will be held Sunday, November 13 from 8:30am until 1:00pm in the St. Joseph Gym. The 7<sup>th</sup> Grade class will be hosting the breakfast this month.

The menu will consist of french toast, biscuits and gravy, eggs, sausage, fruit, juice and coffee.

The cost is \$5 per person or \$20 per family. Also, from 10:00am-12:00pm, there will be family Advent activities for everyone!

There is a new incentive program sponsored by VG's Grocery called *Direct Your Dollars*. This program replaces the previous VG's community rewards program.

Please save your original and entire VG's receipts, (receipts that are cut or copied cannot be accepted). You may turn in your receipts to the school office.

Once the total amount of all receipts collected reaches \$150,000.00, the school will receive a check from VG's in the amount of \$1000.00!

**A big thank you** to Mr. Jason Rivest and Bob Evans' Restaurant of Owosso for our recent school fundraiser held on Monday, November 7.

St. Paul School received \$273.00 to be applied to the St. Paul's Parent Teacher Council fund.

**Virtue of the Week:** Self-Control

**What it means:** Joyful mastery over one's passions and desires

**What it looks like:**

- Raising your hand before talking in class.
- Walking in a straight line.
- Keeping your hands to yourself.
- Not taking an extra cookie.
- Listening to others while they speak; not interrupting them.

**What it sounds like:**

- I will raise my hand before I speak.
- Silence.
- I will keep my hands to myself.
- I will only take one cookie even if I want more than one.

Please help your child build their virtue vocabulary by recognizing behaviors that demonstrate the virtues. Stay tuned for some hallway recognition of students demonstrating virtues in school coming soon!

### **2<sup>nd</sup> Grade News**

The 2<sup>nd</sup> Grade had a great first quarter. We accomplished quite a bit in a few short weeks. On our first field trip we ventured to the Shiawassee Fair Grounds to learn more about a rural community. We traveled to 12 stations and we were able to hear, see, and touch farm animals, combines, seeds, crops and many more aspects of what makes a rural community. (Thank you Farm Bureau!)

In science, we studied leaves and made our own leaf collection books. We also learned about the 3 states of matter. We experimented with solids, liquids, and gases... we even made our own trail mix and smoothies while mixing and changing matter!

The fall season was exciting for us because we learned how to write couplet poems which were printed in the Argus Press. We memorized poems and traveled to all the classes and recited them. Finally, we wrote Halloween books that followed Eric Carle's Brown Bear theme. We read them to the Kindergarten class.

# Pancake Breakfast

Washington, D.C. Fundraiser

St. Joseph Church (gymnasium), Owosso
