

St. Paul Preschool November 2016

Thank you: A big thank you to all families for bringing in snack & juice; everyone went above and beyond! I appreciate all of your thoughtfulness so much. We should have enough snack to get through the month of November. I also want to thank everyone for bringing items in for the Halloween party and for all of your participation! The children enjoyed the day and looked adorable in their costumes!

In a preschool setting so much of learning is "hands-on", your child will not always take home in their backpack evidence of what they have done that day. That's why I like the poster below!

"My Promise To You"

I promise you every day your
child will learn something.

Some days they will bring it
home in their hands.

Some days they will bring it
home in their heads,

and some days they will bring it
home in their hearts.
