Some of the students who are taking the SAT test on Saturday asked for some after school study time. So, on Thursday & Friday, I will provide my classroom to anyone who would like to use this time to prepare for the SAT in a studious manner. I will stay until 5:30 on Thursday and 4:30 on Friday. Please let me know through text or email if your child is planning on attending. Also, if you would like to send in snacks for students as they study, that would be greatly appreciated.

## ALIVE – DEC 2<sup>ND</sup>

This event is located at St. Mary's in Williamston. They have a guest speaker, music by Melanie Rea, adoration, and confessions.

ALIVE is a very moving and meaningful experience and I would like the students to participate. I am willing to bring students who would like to go, but I will need more drivers to help with transportation. I would like to leave no later than 6 p.m. and we will probably return before 10 p.m. I would really like the students to experience this event if at all possible. Please RSVP to me no later than Thursday if your child can attend. Thank you!!!

We would like to make this available monthly to our Confirmation prep students.
