GRANDPARENT'S DAY SEPTEMBER 21, 2017

We will take time to recognize these special people in our lives on **Thursday, September 21, 2017**. Our celebration will begin with Mass at **10:00 AM**. Immediately following Mass there will be coffee and donuts provided in the activities room with a small presentation by some of our students. Grandparents will then be invited to take a tour of the building with their grandchild/children.

We hope many of our grandparents will be able to join us!

Virtue of the Week: Patience

What it means: Bearing present difficulties calmly.

What it looks like:

- Waiting without complaining.
- Raising your hand and waiting to be called on.
- Waiting in line for lunch.
- Waiting your turn to play on something at recess.
- Bearing your own difficulties.

What it sounds like:

- I will wait for you.
- I will wait for my turn.
- I will raise my hand and wait for my teacher to call on me.
- I will wait my turn and not push or cut ahead in line
- Jesus, I trust in You! I will not complain.

Please help your child build their virtues and practice modeling these important foundations of our faith. Our hearts are bursting with examples in the hall outside the office. Check it out on your next visit!

Welcome back to school! Our 8th grade is excited to be matched soon to their kindergarten friends. We are also looking forward to an opportunity to work with the 2nd grade for sacrament buddies. We are working on I love the USA projects in History and on a character based book report in literature. We are looking to attend the Mass with the Bishop at St. Mary's Cathedral on September 25th and visiting Powers Catholic High School on the 29th. We are excited to start literature circles very soon, and we're excited for all the wonderful things this last year as 8th graders will contain.

Blue Tub Collection

Our Bluewaves are once again this year working to support Catholic Charities of Shiawassee and Genesee County. The September need is for toothpaste and toothbrushes. Thank you for helping support this important organization in our community.

THANK YOU MR. DUMOND!!

We are so appreciative of our new GaGa Pit! Thank you to Mr. Dumond and his crew for doing such a great job in building it! We are sure the students will enjoy it for a long time! See the fun pictures of our first day! If you are not sure what a GaGa Pit is, ask your child to tell you about it! **THANK YOU** for saving all of those Campbell's Soup labels, as that money was used to purchase the materials!
