Dear Kindergarten families,

Wow! It's hard to believe it's already the middle of March!

Have your children been coming home and telling you about Leprechauns lately? If so, it's because they've been playing in our classroom at night and leaving messes, special notes and treats for us each day! Ha 😊

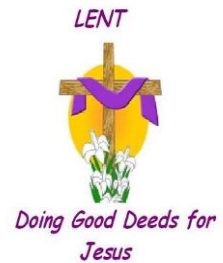

Your children have been doing SO well during our participation in the Stations of the Cross! They have also been learning their newest prayer, "The Glory Be" and have been saying an extra Lenten prayer of their choice before our morning snack. It's such a blessing to see them doing so well in these areas and they really seem to enjoy them. Very soon we will be focusing on Easter and the great joy it brings to us all.

We are starting to make headway on our goal path, but we have a long way to go! Please help your child succeed in meeting their goals by reading with them each day and filling out their reading goal slips. Let me know if you need more!

Don't forget about donating an item for the auction. So far, our class has only had one family contribute to this worthy cause. Thank you! 😊

Blessings and think Spring!

Ms. Jones

This week's "Fun Work"!

Your children have been brainstorming ways to trap a Leprechaun! It's SO fun to hear the ideas they've come up with so far! Please help them gather items that they think would be helpful to make a Leprechaun trap!

Thank you! 😊
