Benediction @ 11:30am  
**12:00pm School dismissed**  
End of 1<sup>st</sup> marking period-teacher work day PM

### It's the Great Pumpkin Potluck!

Please make plans to join us on Monday, October 23 at 6:30 PM for the Great Pumpkin Potluck! You should have received your email with the link to the Sign Up Genius document for this event. Please make sure you check that and sign up so that we can be prepared. If you have questions, please call Sam Santrucek 989-413-5400. Looking forward to seeing everyone there!

### Hurricane Relief

We will continue our collection for Hurricane relief through the month of October. Thank you to those who have already contributed. Please prayerfully consider helping our fellow Americans out during this devastating time for them. I have challenged the students to do some sort of chore to earn the money they bring in to donate. This will help them feel more closely connected to the relief effort. Thank you for helping with this effort.

### Box Tops/Campbell's Soup Labels

Please send in box tops and Campbell's soup labels. The last day for this round is Thursday, October 26. The class that collects the most, according to percentage, will get to help choose how we spend the money raised!!

## VIRTUE OF THE WEEK

### Honesty

**Meaning:** Sincerity, openness and truthfulness in one's words and actions

**Looks Like:**

- Keeping your eyes on your own paper
- Telling the truth even when it is hard
- Admitting you did something wrong
- Going to Confession
- Sharing something equally

**Sounds Like:**

- I will not cheat by looking at someone else's paper.
- This is what really happened... I told the truth.
- I am sorry.
- Bless me Father, for I have sinned...
- I was fair.

Please help your child learn about and model the virtues. These are cornerstones of living our faith as Jesus taught.

### Powerschool Reminder

Time flies when you are having fun! The 1<sup>st</sup> marking period will be in the books in two short weeks. If you have not logged on to Powerschool, please do so immediately! Please do not wait until the marking period ends. We will NOT be printing paper copies of the report card until the end of the year, so it is vitally important that you are following your child's progress through this tool. I strongly encourage you to teach your child to log in and check as well. They are surely able to and often they appreciate and respond to this ownership of their learning. If you have never logged in, the password I sent last year will no longer be valid. Please email me if you need assistance with this. Thank you!

### Needed: Marketing Chairperson!

Do you have good ideas about how to get the word out about our great school? Are you looking for a great way to get involved and volunteer? Our current marketing chair is looking for someone to help her out for the rest of this school-year, and then take over the position next year. We need someone who is organized, creative, and can attend monthly PTC meetings. This person should feel comfortable writing posts on Facebook, submitting articles to local newspapers, and creating flyers or advertisements. Please contact the office if you would be interested in serving our school in this important capacity.

## **The Fabulous Five!**

Although our class size is small, these five young kindergarten students have already proved themselves to be a beautiful blessing to our school! I, too, am truly blessed and thankful to have the privilege to be their teacher! We have made remarkable strides already in getting to get to know one another as well as the routines of our classroom and being a part of a full day parochial school program! Speaking of which, the kindergarten students are doing exceptionally well attending Mass each week! Not to mention their first experience with Adoration and Benediction! They have learned how to genuflect, how to make the sign of the cross, follow along with the prayers, participate during Holy Communion and even how to control their wiggles and giggles! We pray throughout our day, and are currently learning “The Our Father”. They have been learning about God’s creation of our world in general and how we are each unique and special creations loved by God. Our current focus is learning all about God’s provision of family and friends and how we can love and care for them.

In kindergarten, students have to be engaged in active, hands on and “play” based learning that appeals to and inspires young learners. We definitely have that going on in our classroom and it is going remarkably well! Religion, math, reading, writing, science, and social studies, (although addressed individually with specific lessons and assigned certain time slots throughout our day), seem to intertwine. As a result, the students are developing a love for learning and are making great strides in all subject areas! For example, this week, we opened up a pretend pumpkin patch in our classroom! Throughout this activity, the students have been measuring, adding, subtracting, writing, reading, creating and discovering! As an added bonus, we also attended our first field trip to Peacock Farms! It was a wonderful first field trip filled with learning, discovery, and real world application that the students, their families and teachers enjoyed!

We have a lot of learning ahead to master, but I have no doubt that each one of these students will succeed. One of the wonderful advantages of having a small class is being able to devote time to them individually. When told that I only had five students in my class at the beginning of the year, my response to Mrs. Heatwole was, “Well, I’ll have no excuse but to turn out five “Einsteins”!” It is my privilege, goal and blessing to have the opportunity to do so!

In His, theirs, and your service,  
Ms. Jones
