to

St. Paul Preschool

Welcome to St. Paul Preschool! I am looking forward to getting to know each child as we learn and grow together in the upcoming school year. Here at St. Paul Preschool we provide each child with a safe and loving learning environment as we work to become a school family. Each day will be filled with fun and exciting adventures to help your child develop in the social, emotional, cognitive, physical and spiritual domains.

For those of you who do not know me let me tell you a little bit about myself; my name is Anna Geppert and I have been here at St. Paul since 2012. I have a Bachelor of Science degree in Early Childhood Education and I am certified to teach K-8, with a ZA endorsement. I have taught Preschool, Kindergarten and Pre-Kindergarten for a total of nineteen years. I have two children who are now young adults.

The pre-K program uses a curriculum called *Teaching Strategies, The Creative Curriculum*. The curriculum uses 'study guides', the first one is called, *Beginning the Year*. Also, I have incorporated into the curriculum a wonderful phonics program called, Zoo-phonics.

The classroom theme this year will be, "*Chicka Chicka Boom Boom, Welcome to the Zoo Room!*"

I believe that communication is one of the important keys to your child's success and to a great parent/teacher relationship. I will be sending home letters and I will also be using email. In addition to these things I will be using an app called the *Remind App*. It's a quick & easy way to send home reminders. For example if we are having 'Hat Day'. I can send out a quick reminder that says, "Remember tomorrow is Hat Day! Have your child wear a favorite hat."

Important Dates:

Thursday, August 24th: Welcome Back Ice Cream Social at 6:30 p.m.

Tuesday, September 5th: First Day of Preschool 8:30 a.m. to 11:30 a.m.

I am looking forward to our prekindergarten adventure with each family and your child. My number one priority is the children so if you have any questions or concerns please let me know.

Many Blessings,
Anna Geppert
