Newsy Notes from the Crazy Eights

Research Paper

All students have chosen their research paper topics and are looking for resources to use in their research. Please encourage your child to work independently at home three-four nights per week. We will be working on it during class time, but it will not be enough time for the students to finish if they don't work independently at home.

On my page on the St. Paul School website (spsowosso.org), there is a list of due dates. I will be uploading other information as we cover it in class.

The final numbers are being figured out and I will email you as soon as I have them finalized. It looks like we will be very close to our goal. I know that you have been receiving late payment notices, but please know that we will be sending in a final payment. I will let you know if you owe a balance. Those who have not participated in all the required breakfasts will have a balance that will reflect that. Thank you for understanding as we finalize this information. Thank you for all your help during the fundraising for the past year. You are awesome!!!!
