Dear Kindergarten families,

Thank you all for helping your child with gathering items to bring in for the 100th day of school! We celebrated the day by doing 100th day themed lessons in math, reading, writing and art! We topped off the day by having ice cream sundaes with 100 sprinkles on top! It was indeed a fun day!

Please make sure that your child has a complete set of clothes to change into if the need should arise. Some of our extra clothing bags are missing items that need to be replaced.

Thank you!

Ms. Jones

March is reading month!

Would you like to be a guest reader for our class? If so, we would LOVE to have you! March is reading month, and what better way to support love for reading than having you share books with our class! Just let me know what day/time works for you!

Thank you! 😊

Upcoming Events

February 21- Soup & Substance

February 23- Pizza/Fuel Up 60

February 23- Last Day for Box Tops!

February 26- Talent Show Try-outs

February 28- Soup & Substance

This week's "Fun Work"!

We are learning about odd and even numbers this week in math. Please play a game with your child to help reinforce what we're learning in class. A simple example would be to have them do a certain movement for odd and even numbers that you or a family member says. We played this in class already and it's a lot of fun! Thank you! 😊

Thank you! 😊
