Teacher Notes

We are in the home stretch of Reading Month and the 3rd marking period coming to a close! We had 7 students reach "God's Sweet Kingdom" this week - CONGRATULATIONS! There are some students who have over 2500 minutes read so far this month! WOW! That's an average of close to 2 hours a day! At school, they have a chance to read and track it during "Read to Self" time and their free time after they finish their work. If they track (which they should be doing), and they get my initials, it counts for that day only. We track group reading as well and I initial that part. That part includes our guest readers and when I read our chapter books to them. There are opportunities for every single student to reach God's Sweet Kingdom. There are 3 goals left - Monday, Wednesday and their Overall Goal. They may use their READ-O boards if they get a cover all as a goal as well. So those who have 5 virtues to hit, have 5 goals available to them. I hope they read this weekend! I am still grading them until Wednesday. We still have room for surprise guest readers for the month - please sign up? Thanks! <http://www.signupgenius.com/go/20f0a48a4a928aafc1-march1>

Alan St. Jean ran Writing Olympics this week at SPS! It was a great experience for the kids and we had a lot of fun! Be sure to ask your child about it!

In Math, we took a benchmark test this week and started fractions! DMP will start back up after spring break and we'll finish out the year with fractions and geometry!

In Social Studies, we have our test and celebration on Tuesday! States and Capitals pre-test will be Monday. If they get 100%, they do not have to take that portion on Tuesday. Content test is in their packets with the questions at the back. Please let me know if they do not have this packet and I will email it to you. Due to copyright laws, I cannot post it on my website.
