

Second Grade Stars Newsletter for March 19th - 23rd

March's Reading Month is going very well! I am seeing many children meet their reading goals. Thank you for your help with this. It is not too late to have your child read if they are behind on their logs, read, read, read! Remember each student has a weekly reading goal to reach. I need to check the reading logs twice a week (Mondays and Wednesdays) so PLEASE have your child keep their logs in their Binders and update them each night. This has to be done in order for your child to receive a gingerbread for the wall and meet their goals. Thank you for your help! They are amazing little readers!

We have begun fractions in Math. We are also continuing to work on Fact fluency in addition, subtraction, and multiplication. Please remember to have your child do MobyMax Math and Fact Fluency, remember that 30 minutes of MobyMax homework a week is suggested in second grade. We also visit the lab and go twice a week at school. I am seeing a great correlation with NWEA Math and MobyMax Math scores. Those who have been putting in the effort and practicing

are improving their math scores as well as their NWEA scores. Unfortunately those who are not practicing are still struggling and their scores on NWEA are also lower. Please help your child practice working on these skills at home so they can get to where they need to be to be successful. They can do it, they just need daily repeated practice to improve.

Monday, March 19 - Guest Reader! State

Representative Ben Frederick to SPS where he'll visit all grades to share his love for reading!

March 20, 21, 22 - Writing Olympics Workshop with author Alan St. Jean! *Thank you to our PTC for sponsoring this sweeeeet opportunity for our students!

Wednesday, March 28 - Sweet Celebration Wrap Up!

Also, readers who reached God's Sweet Kingdom will enjoy milk and donuts!

will enjoy milk and donuts!

Auction News: The Auction is approaching fast. Please mark the date April 14th for a great

adult evening out. There is a sign up genius if you are looking for an idea to donate an item for our school auction. Our wonderful class homeroom parent, Jodi DeFrenn, will be sending you an email link to view soon. Thank you for your help with this! We are receiving many cooking items and the basket is beginning to grow, keep them coming.

Blue Tub Collections:

March: cleaning supplies and canned fish
