It's Auction Time!!!

The big event will commence tomorrow evening! Doors will open at 5:30, with dinner at 7:00 PM. I hope you have all secured your tickets, as it's bound to be an evening filled with excitement and fun! A **HUGE THANK YOU** the auction planning committee, Cindy Feldpausch, Samantha Santrucek, Jason Rivest, Ashley Rivest, and Jodi DeFrenn, who have given much time and talent to planning and preparing for our wonderful event! Thank you also to the many who have helped along the way, whether it was Mrs. Forsythe and Ms. Esch making phone calls, Kristi Crane working her basket magic, or one of the many who helped plan decorations, set up, etc. All or your help is greatly appreciated! **We are so Blessed to have such a caring community!**

Help Needed!

Thank you to those who responded to our call for help on the playground! We appreciate your stepping forward to help supervise our kiddos in this important area. We are in need of an **Athletic Director!** This person should be someone who loves sports, enjoys working with people, has good organizational skills and can attend all home games. Please prayerfully consider this opportunity to serve our school community. There is a stipend available to help compensate for your time. Please call **989-725-7766**.

VIRTUE OF THE WEEK

Respect

What does it mean? Speaking and acting according to our own and others' rights, status, and circumstances.

Looks Like

- Only saying nice things about your siblings and classmates
- Not laughing at others
- Listening the first time and discontinuing an action when someone asks you to stop
- Kissing a crucifix
- Listening attentively to others

Sounds like

- He is really good at...
- It is not nice to laugh at people.
- Silence.
- I will stop doing that.

Please help your child develop their skills in practicing the virtues, as these represent a concrete example of Jesus in our daily lives.

REPORT CARDS

Wow....thank you all for modeling the virtue of patience as we have worked through the glitches of changing to a new tech support for our gradebook. As you know the switch did create some glitches that held things up. We so appreciate your support! We are very confident that this new tech support company will provide so much more help for our individual needs. **PLEASE NOTE! Do not log in to Powerschool using the old web address, but instead use the new web address!**

<https://dol.clgpsedu.com/public>

If you usually access Powerschool from your phone, you will probably need to go to this web address from a computer first, as you did before, and log in on that. You should then be able to access the code for the app.

Your user name and password will not change!

Please send an email if you are having difficulty with this. Thank you!
