Soaring Eagle Water Park: Release of Liability Form

Safety patrol members were given a release of liability form. This form needs to be signed if your child wants to try the Flow Rider at the water park. Signing the form does not mean they have to go on the Flow Rider. It just gives them permission if they do decide to go on it. I need to have all signed forms next Thursday so I can bring them with me.

Honoring Those Who Served Our Country

The 5th graders have been asked to help the 6th and 7th graders place flags on the gravestones of those who have served our country. A permission slip went home today.

Upcoming Tests

Tuesday (5-21): Theology
Wednesday (5-22): Math

Upcoming Dates

Thursday (5-23): Safety Patrol Field Trip
Friday (5-24): Placing Flags on Veterans' Gravestones at St. Paul Cemetery
Friday (5-24): Egg Drop Project Due

Mass Change

The 5th graders were scheduled to assist in next week's Mass (5-23). That has been changed. They switched with the 2nd grade. They will now be assisting in the Mass on May 30th.
